

Arrangements for Staff Safeguarding Training

1. Purpose and content

The purpose of this appendix of the UCQ Safeguarding Policy is to provide a clear set of guidelines to students, their parent/carers, staff and other workers within the UCQ community regarding how UCQ will ensure staff are trained in safeguarding by setting out the required mandatory training for different groups and the actions to be taken in the event of non-compliance.

The Safeguarding Policy has been developed in line with statutory guidance. The policy applies to all students and all staff (including agency, associate and hourly paid staff) irrespective of anyone's position or role at UCQ, together with the Academic Council and any workers who are at UCQ on a voluntary or placement basis.
