1. Policy statement

- 1.1 University Centre Quayside (UCQ) fully recognise their responsibilities to safeguard and promote the welfare of children and vulnerable adults, including the responsibilities their Academic Council, staff and volunteers have in regard to the protection of children and vulnerable adults from abuse; and to have due regard to the need to prevent people from being drawn into terrorism.
- 1.2 Safeguarding is defined for the purposes of this guidance as: protecting people from maltreatment, preventing impairment of students' health or development, ensuring that students are engaging in circumstances consistent with the provision of safe and effective care and undertaking that role so as to enable those people to have optimum life chances and enter or continue through adulthood successfully.
- 1.3 To demonstrate this commitment, UCQ makes the following statements of intent:
- 1.3.1 UCQ are committed to Safeguarding and promoting the welfare of children and vulnerable adults and expect all students and all staff (including agency, associate and hourly paid staff), irrespective of anyone's position or role within UCQ, to share this commitment
- 1.3.2 UCQ believe that everyone (especially children and vulnerable adults) should be, and feel, safe; and we want everyone who attends or has contact with UCQ to enjoy what UCQ has to offer in safety
- 1.3.3 UCQ want to make sure that our students know this and are empowered to tell us if they have suffered, or are suffering, from harm or abuse; or if they feel at risk of being drawn into terrorism or extremism
- 1.3.4 UCQ want organisations who work with, or commission work from UCQ, to have confidence and recognise that we are a safe organisation
- 1.3.5 UCQ want all students studying with us to see themselves as a valued part of the UCQ community and to understand how this community operates within the wider UK community, including the importance of promoting, and abiding by, the British values of:

Democracy: *your vote and voice counts; you can make a difference*

The rule of law: *laws apply to everyone*

Individual liberty: *you are entitled to your view and to your freedom of expression and thought*

Mutual respect and tolerance for those with different faiths and beliefs

- 1.4 This Safeguarding Policy and all UCQ Safeguarding appendices apply to all students and all staff (including agency, visiting, associates and hourly paid staff) irrespective of anyone's position or role within UCQ, together with the Academic Council and any workers who are at

UCQ on a voluntary/placement/other professional basis and any other users of UCQ premises. UCQ subcontractors must have their own policies in place that fully meet statutory requirements and their duty of care to children and vulnerable adults. 4. Definitions

- 4.1 **Abuse and neglect** - forms of maltreatment. Somebody may abuse or neglect by inflicting harm, or by failing to act to prevent harm. Individuals may be abused in a family or in an institutional or community setting, by those known to them, or, more rarely, by a stranger (e.g. via the internet). They may be abused by an adult or adults, or another child or children.
- 4.2 **Child and Vulnerable Adult Protection** - A central part of Safeguarding. It is the process of protecting specific children or vulnerable adults identified as suffering, or at risk of suffering, significant harm as a result of abuse or neglect.
- 4.3 **Children** - those under the age of eighteen.
- 4.4 **Discriminatory Abuse** - exists when values, beliefs or culture result in a misuse of power that denies opportunity to some groups or individuals. This can be because of age, sex, religion or belief, disability/ability, pregnancy or maternity, sexual orientation, gender (including gender

reassignment). This includes abuse that is racist, sexist, homophobic, or is based on age or disability or any forms of harassment.

- 4.5 Duty of Care** – the duty which rests upon an individual or organisation to ensure that all reasonable steps are taken to ensure the safety of a child or vulnerable adult involved in any activity or interaction for which that individual or organisation is responsible. Any person in charge of, or working with children or vulnerable adults, in any capacity is considered both legally and morally, to owe them a duty of care.
- 4.6 Emotional abuse** - the persistent emotional maltreatment of an individual such as to cause severe and persistent adverse effects on their emotional development. It may involve conveying to an individual that they are worthless or unloved, inadequate, or valued only in so far as they meet the needs of another person. It may include not giving the opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on an individual. These may include interactions that are beyond the individual’s development capability, as well as overprotection and limitation of exploration and learning, or preventing the participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing an individual frequently to feel frightened or in danger, or the exploitation or corruption of an individual. Some level of emotional abuse is involved in an all types of maltreatment of an individual, though it may occur alone.
- 4.7 Extremism** - Vocal or active opposition to the British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.
- 4.8 Female Genital Mutilation (FGM)** - sometimes referred to as female circumcision, refers to procedures that intentionally alter or cause injury to the female genital organs for non-medical reasons. The practice is illegal in the UK. The girls may be taken to their countries of origin so that FGM can be carried out during the summer holidays, allowing them time to “heal” before they return to school. There are also worries that some girls may have FGM performed in the UK.
- 4.9 Financial Abuse** - relates to the unauthorised and improper use of funds, money or resources belonging to the individual.
- 4.10 Forced marriage and honour based violence** – a forced marriage is a marriage conducted without the valid consent of one or both parties and where duress is a factor. Honour based violence refers to a crime or incident which has or may have been committed to protect or defend the ‘honour’ of the family and/or community. In these circumstances, swift action and immediate contact with the Forced Marriage Unit or the police is required. It is essential that confidentiality is maintained (i.e. no contact made with the student’s family) as this could further endanger the student.

4.11 Institutional Abuse - includes the practice of an abusive regime or culture which destroys the dignity and respect to which every person is entitled. It is the mistreatment of people brought about by poor or inadequate care or support, and poor practice that affects the whole setting. It occurs when the individual's wishes and needs are sacrificed for the smooth running of a group, service or organisation.

4.12 Missing & Sexually Exploited and Trafficked (MSET) - involves exploitative situations, contexts and relationships where young people (or a third person or persons) receive 'something' (e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money) as a result of them performing, and/or another or others performing on them, sexual activities. Sexually exploitation is often linked to periods of going missing from home or education and in some cases individuals may be trafficked. Child sexual exploitation can occur through the use of technology without the child's or young person's immediate recognition; for example, being persuaded to post sexual images on the Internet/mobile phones without immediate payment or gain.

In all cases, those exploiting the child/young person have power over them by virtue of their age, gender, intellect, physical strength and/or economic or other resources

Violence, coercion and intimidation are common during involvement in exploitative relationships that are characterised by the child or young person's limited availability of choice, resulting from their social/economic and/or emotional vulnerability.

4.13 Neglect - the persistent failure to meet a child, young person or vulnerable adult's basic physical and/or psychological need, likely to result in the serious impairment of their health or development. Neglect may occur during pregnancy as a result of material substance abuse.

Neglect may involve a parent or carer failing to:

- 4.13.1 provide adequate food, clothing and shelter (including exclusion from home or abandonment); or
- 4.13.2 protect an individual from physical and emotional harm or danger; or
- 4.13.3 ensure adequate supervision (including the use of inadequate care-givers); or
- 4.13.4 ensure access to appropriate medical care or treatment.
- 4.13.5 be responsive to basic emotional needs.

4.14 Physical abuse - may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to an individual. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in an individual. For vulnerable adults this may also include inappropriate restraint or sanction or the misuse of medication.

4.15 Psychological Abuse - includes emotional abuse, threats of harm or abandonment, deprivation of contact, harassment, isolation and or withdrawal of services or supportive networks.

- 4.16 Radicalisation** - The process by which a person comes to support terrorism and forms of extremism.
- 4.17 Sexual abuse** – involves forcing or enticing a child or vulnerable adult to take part in sexual activities, not necessarily involving a high level of violence, whether or not the individual is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving an individual in looking at, or in the production of, sexual images, watching sexual activities, encouraging an individual to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can children.
- 4.18 Significant Harm** - The Children Act 1989 introduced the concept of significant harm as the threshold that justifies compulsory intervention in family life. The local authority has a duty to make enquiries or cause enquiries to be made if a child or vulnerable adult is judged to be at risk of suffering significant harm
- 4.19 Vulnerable Adult or Adult at Risk** – for the purpose of Safeguarding and UCQ’s duty of care, a vulnerable adult is defined as any adult considered to be at risk.
- 4.20 Whistleblowing** - Whistleblowing is the term used when someone who works in, or for an organisation, and wishes to raise concerns about malpractice, wrongdoing, illegality or risk in the organisation (e.g. neglect of Safeguarding responsibilities) and/or the cover up of any of these.

9. Staff guidance procedure

9.1 Should a person falling under the scope of this policy identify or suspect any Safeguarding concern, or witness, or be informed of a Safeguarding incident, they should do the following:

- 9.1.1 Remain calm, listen carefully and allow the person to speak without interruption
- 9.1.2 Do not make suggestions or lead the person in any way. Give them plenty of time to talk.
- 9.1.3 Be honest and explain that you are unable to keep the information they have told you a secret but reassure them that you will only tell the appropriate person(s)
- 9.1.4 Write down what they say as soon as possible; and record the date and the precise time of day you were told; and the date and precise time you wrote it down
- 9.1.5 Contact the Safeguarding Designated Lead immediately
- 9.1.6 If the DSL is not immediately available contact the Deputy DSL or the Strategic Safeguarding Lead
- 9.1.7 Complete a Safeguarding Concern Form as soon as you can. Give it, and any other notes you made, in a sealed envelope marked “confidential” to the DSL. Do not keep any copies.
- 9.1.8 If physical injury has occurred request a First Aider from the venue.
- 9.1.9 If necessary, contact NHS for medical support:
 - Tel: 111 NHS Helpline for non-medical emergencies
 - Tel: 999 Emergency Services – for medical emergencies

- 9.1.10 Do not contact parents, guardians etc. This is very important to avoid the potential for warning people who may be involved in the allegations, or who may take action if aware an allegation has been made (e.g. further abuse or making immediate arrangements for someone to leave the country for a forced marriage).
- 9.1.11 A safeguarding concern or disclosure may also be made by a third person, for example, a concerned associate, tutor or member of the public; this could include via non-verbal communication, including email. Where a member of staff receives this disclosure, this must be passed immediately to the designated safeguarding lead. A third person may make a disclosure directly by contacting a designated safeguarding lead directly. See section 8.2 for contact details.
- 9.1.12 If you become aware of a Safeguarding concern outside of normal opening hours, take all reasonable steps yourself to protect a child or vulnerable adult from an immediate threat (e.g. contact Social Services, the Emergency Duty Team or the Police for advice). In the first instance call a DSL using the contact details in 8.4.

If the DSL is unavailable, refer to the directory (SA-008) and contact appropriate agencies in your delivery location. Note: Each local authority has different contact numbers.

If you are unable to contact any of the agencies contact the Police on **999** (if there is an emergency) or **101** (if there is no immediate risk) and inform them you have a Safeguarding issue and are unable to contact the authority agencies.

- 9.1.13 If the student is undertaking learning through a UCQ partner contract, the UCQ DSL will contact the appropriate UCQ Safeguarding personnel to update them, within one working day of receiving the concern

- 9.2 Where the issue is urgent and there is concern that there may be serious or significant risk to an individual, it should be noted that anyone coming across the issue is able to make a referral to the relevant social services team. Where an issue is discussed with a DSL who does not feel it warrants a referral but the person reporting it disagrees, the latter may still refer the matter to the relevant social services team (or other appropriate body e.g. the Police) without prejudice.

Note: It is possible to request a formal pre-referral consultation and seek advice from a Safeguarding worker where specialist advice and support is required.

- 9.3 For concerns relating to radicalisation or extremism the DSL will follow the Channel Process (Appendix E) and contact the relevant local team e.g. North East Counter Terrorism Unit (0800 789 321) should an appropriate cause for concern be identified.
