1. Scope

- 1.1 The UCQ Senior Leadership Team takes overall responsibility for this policy and its implementation. They will ensure that all staff dealing with substance issues are adequately supported and trained.
- 1.2 UCQ is committed to providing a safe environment for all students, so they can learn as productively as possible. Possession or consumption of alcohol or illegal drugs at UCQ, or while on the way to or from UCQ is unacceptable and is likely to be treated as serious misconduct and dealt with under GP-024 Student Disciplinary Policy and Procedure, in addition to any other legal implications. Likewise, it is unacceptable for students to arrive to their training venue unfit for learning and/or work as a result of drugs or alcohol.
- 1.3 In what follows the term 'drug' is taken to include alcohol.

2. Definitions

- 2.1 The term 'drugs' and 'drug education', unless otherwise stated, is used throughout this document to refer to all drugs:
 - All illegal drugs (those controlled by the Misuse of Drugs Act 1971)
 - All legal drugs, including, legal highs, alcohol, volatile substances (those giving off a gas or vapour which can be inhaled), khat and alkyl nitrites (also known as poppers)
 - All over-the-counter and prescription medicines (including controlled drugs)

3. Related policies and guidance

DfE and ACPO drug advice for schools
GP-024 Student Disciplinary Policy and Procedure
HS-001 Health and Safety Policy and Appendices
SA-002 Safeguarding Policy and Appendices
SA-016 Student Welfare Policy

4. Policy statement

- 4.1 When dealing with drug-related incidents, UCQ follows the procedures laid out in DfE and ACPO 'drug advice for schools' (September 2012). In incidents involving substance misuse or supply on the premises/during UCQ delivery, action will proceed as follows:
 - 4.1.1 UCQ staff will consider each incident individually and may employ a range of responses as detailed in Appendix 1. The recording of action taken and information gathered will follow the procedures in Appendix 1.
 - 4.1.2 Drug related incidents must always be reported to a member of the safeguarding team immediately. Where applicable, parents/carers will be informed as soon as possible. The support of outside agencies will be sought if appropriate.

4.1.3 Any medical emergencies will be dealt with following the procedure set out in Appendix 2

4.1.4 Police may be informed at the discretion of the Senior Leadership Team.

4.1.5 The Senior Leadership Team will take responsibility for liaison with the media, where required.

5. Confidentiality

5.1 Sensitive personal information about students is disclosed only on a 'need to know' basis with careful attention to the students' rights and needs. UCQ's collection, use and storage of data will be dealt with under DA-001 Data and Privacy Policy.

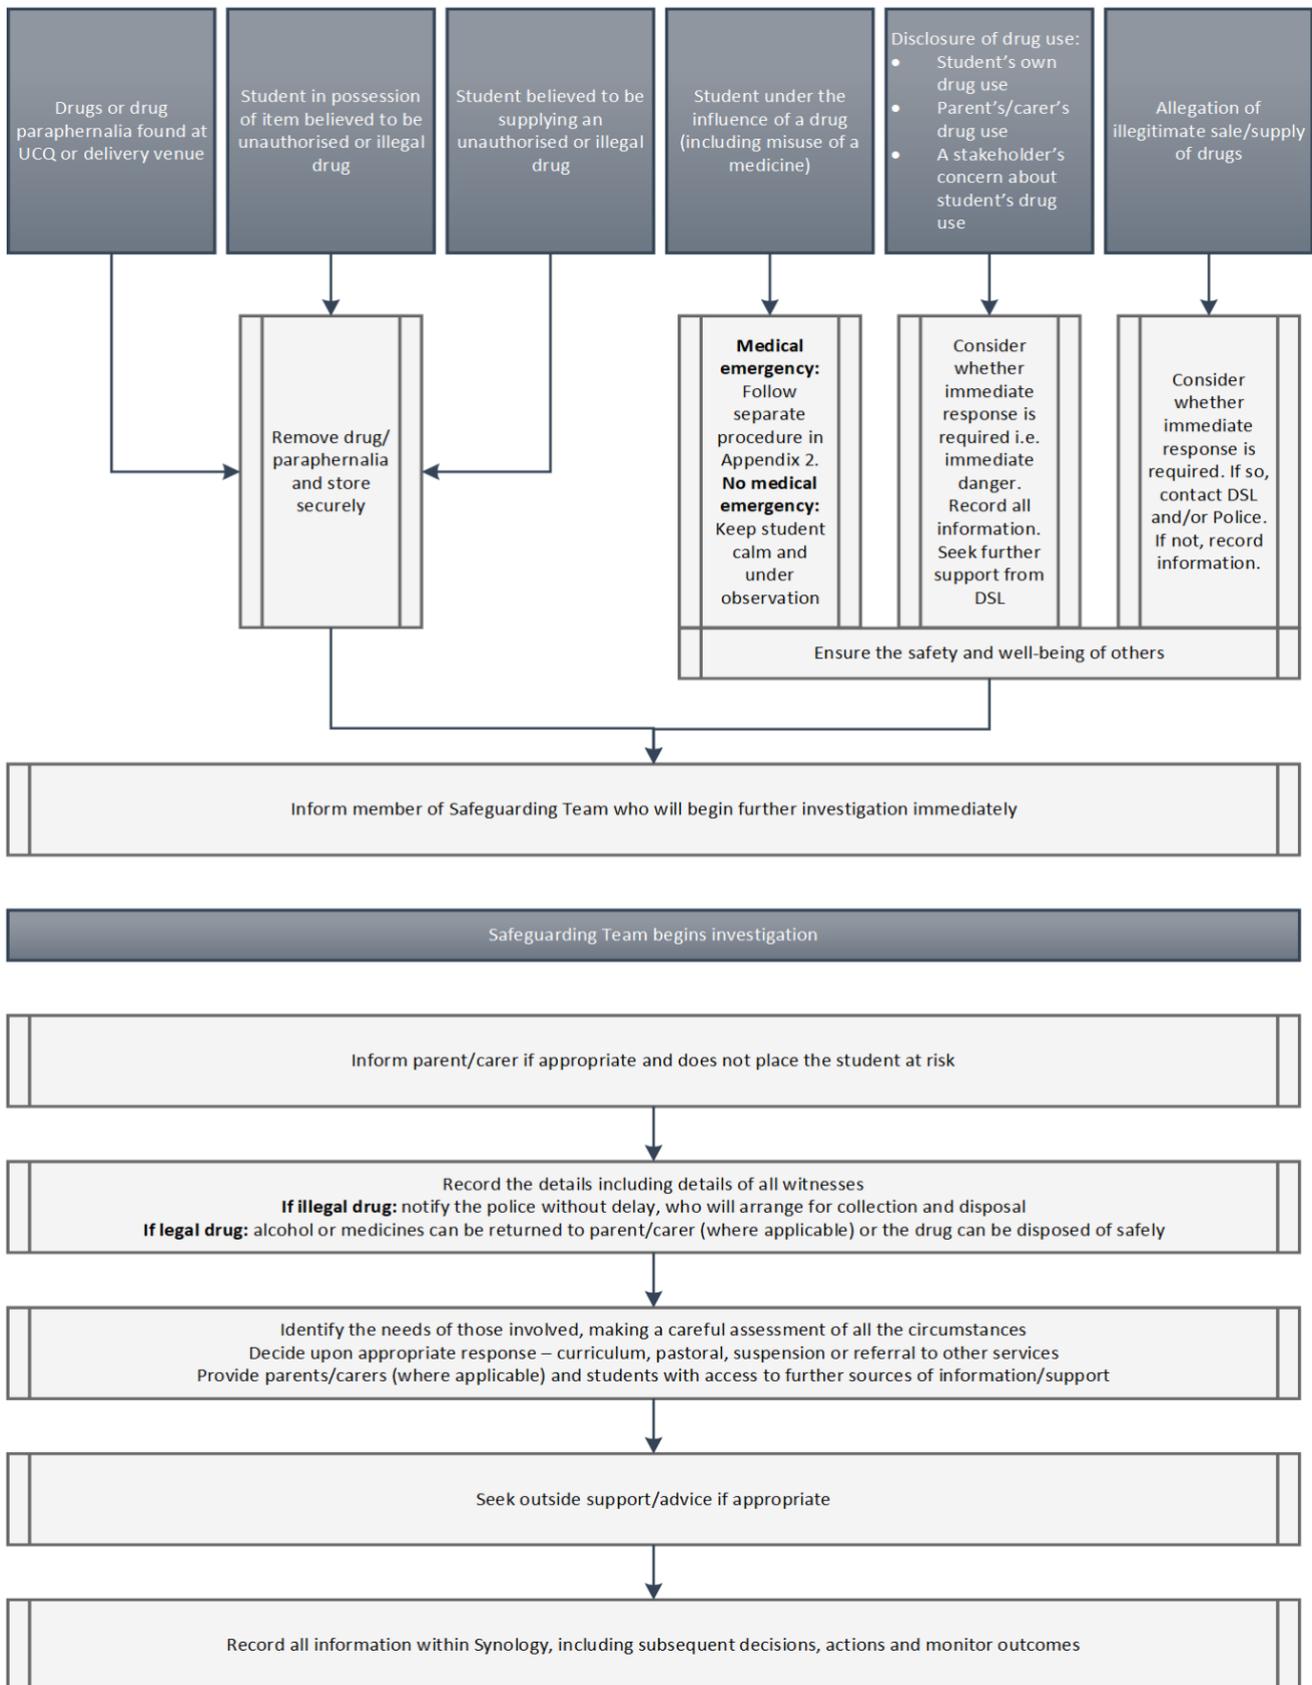

6. Monitoring

6.1 This policy will be reviewed at the following times:

- Every two years; or
- Following any serious incident involving students and drugs; or
- Following the issue of any new guidance from the Department for Education

6.2 The review will be carried out by the Safeguarding Team.

Appendix 1 Process flowchart

Appendix 2 Medical emergencies

The procedures for an emergency apply when a person is at immediate risk of harm e.g. having trouble breathing, confused or disorientated or having taken a toxic substance.

The main responsibility is for the student at immediate risk, but you also need to ensure the well-being and safety of others.

If in any doubt, call medical help immediately 999 – always let UCQ know if you have done this.

Always:

- Assess the situation
- Contact a UCQ First Aider or send for medical help and ambulance

Before assistance arrives:

If the person is conscious:

- Ask them what has happened and to identify any drug they have used
- Collect/protect any drug sample or packaging and vomit for possible medical analysis
- **Do not** induce vomiting if they have not already vomited
- **Do not** chase or over-excite them if intoxicated from inhaling a volatile substance
- Keep them under observation, warm and quiet if possible
- Contact parent/carer where applicable

If the person is unconscious:

- Ensure that they can breathe and place in the recovery position
- **Do not** move them if a fall is likely to have led to an injury which may not be obvious
- **Do not** give them anything by mouth
- **Do not** attempt to make them sit or stand
- **Do not** leave them unattended or in the charge of another student
- Contact parent/carer immediately where applicable

For needle injuries:

- Encourage wound to bleed.
- **Do not** allow them to suck wound.
- Wash with soap and water.
- Dry and apply waterproof dressing
- If injury from a used/dirty needle seek immediate advice from a doctor
- Retain needle if available and give to emergency services

When medical help arrives:

- Pass on any information available, including vomit and any drug samples. As soon as you have dealt with the emergency record all information and report to Safeguarding Team.
