- 5.1 UCQ offer a learning resource centre and online access to all relevant policies and procedures. Students are also welcome to use UCQ's study areas for individual study or group work.
- 5.2 Should you require any technical support or help during your time on the programme, you can contact our Student Services Team on 0191 275 5015 who are located at our Newcastle office.

## 6 Progress reviews

- 6.1 UCQ encourages Tutors to provide regular feedback and support for students throughout their programme. Feedback assists students in monitoring their progress, identifying areas of strength and weakness, and develop their understanding of the subject whilst enhancing a range of skills.
- 6.2 Your Tutor will undertake a progress review with you at the mid-point and completion of your programme.
- 6.3 You will also be contacted by our Student Services Team to discuss the progress you have made after the completion of the programme (for example, whether you have found employment or progressed onto higher study).

## 7. Important policies and procedures

### 7.1 Academic misconduct

- 7.1.1 Any allegations of academic misconduct will be investigated under the Academic Misconduct Policy and in accordance with the principles of equity and fairness. To view the full [Academic Misconduct Policy](#) for more information.

#### 7.1.2 Different forms of academic misconduct:

- Plagiarism
- Falsifying data
- Impersonation
- Irregular behaviour relating to examinations
- Dishonest practice
- Breaches in confidentiality and/or unethical practice in coursework

---

## 7.2 Student disciplinary policy and procedure

- 7.2.1 The Student Disciplinary Policy and Procedure relates to non-academic misconduct. Academic misconduct, such as plagiarism, is addressed within the Academic Misconduct Policy.
- 7.2.2 The Principal of UCQ is ultimately responsible for maintaining discipline among students of UCQ, and in this, students can expect the Principal to be assisted by all UCQ staff.
- 7.2.3 The discharge of this responsibility in respect of managing student conduct is delegated by UCQ's Principal to the UCQ Senior Leadership Team ("the Disciplinary Officers").
- 7.2.4 The burden of proof of the allegations of misconduct lies with the person or persons alleging the misconduct. The judgement of the allegation/s will be based on a balance of probabilities.
- 7.2.5 The seriousness of the offence will be considered in assessing the cogency, weight and quality of evidence presented.
- 7.2.6 UCQ will not investigate anonymous allegations.
- 7.2.7 The disciplinary procedure has an informal stage and four formal stages. Any stage in the process may be invoked immediately, depending on the nature and severity of the behaviour. However, it is expected in most cases a progressive, staged approach to student discipline will be implemented.
- 7.2.8 Before invoking a formal disciplinary process, any member of UCQ staff may use their professional judgement and issue verbal warnings informally. The formal process is to be implemented if the severity of the conduct means that an informal verbal warning is not sufficient.
- 7.2.9 Please refer to the [Student Disciplinary Policy and Procedure](#) for further information.

## 7.3 Appeals

- 7.3.1 The Appeals Procedure is intended to provide a formal means for reviewing a decision made on a student's academic progress or award and resolving the student's concerns in a fair and consistent manner. The appeal will be considered in accordance with the principles of equality and diversity. Please visit <https://ucq.ac.uk/policies/> to view the full Appeals Procedure.
- 7.3.2 Following assessment, if you feel your Tutor/Assessor treated you unfairly or you feel their decision is wrong you have the right to appeal.

### 7.3.3 Step 1

Your first step is to discuss the matter with your Tutor/Assessor. At this stage you will have an opportunity to raise your concerns. In most cases, a satisfactory conclusion can be reached at this point.

#### 7.3.4 Step 2

If you are not satisfied with the outcome you may make a written appeal to an independent arbitrator, this is the Internal Quality Assurer. If you would like to discuss, please contact Curriculum Leader, Ben Devine on 07366 564 165 or [ben.devine@ucq.ac.uk](mailto:ben.devine@ucq.ac.uk).

#### 7.3.5 Step 3

If you are still not satisfied with the outcome you may make a written appeal to [appeals@ucq.ac.uk](mailto:appeals@ucq.ac.uk) (or write to the Appeals Administrator at our Head Office Newcastle address on page 3), this will be dealt with independently from the delivery team.

### 7.4 Complaints

7.4.1 A complaint is defined as an expression of significant dissatisfaction where the person making the complaint seeks a specific action to address the issue. The Complaints Procedure is based on the expectation that all reasonable efforts have already been made to deal with the grievance prior to reaching the stage of a formal complaint. UCQ consider complaints as important feedback and you will not suffer any disadvantage as a consequence of making a complaint. Please view the full [Complaints Procedure](#) for more information.

### 7.5 Health and Safety

7.5.1 UCQ recognises its responsibility for providing a safe and healthy working environment for all who use its facilities. We ask all students:

- To take reasonable care for the health and safety of themselves and others
- To co-operate with UCQ by following health and safety procedures and instructions
- To respect and not to abuse, misuse, vandalise or deface fire alarms, fire extinguishers, first aid boxes and appropriate notices and signage
- In the event of the fire alarm sounding, to make their way directly to the designated assembly point
- To report all accidents, however small, to a member of staff immediately
- To respect speed limitations when driving motor vehicles into UCQ's premises and to park only in marked bays
- To inform their Tutor (in confidence) of any medical needs, or any condition which might require special or emergency action

All students must adhere to these guidelines and those set out in the UCQ Health and Safety Policy: Appendix I. Please refer to this policy for further information.

## 7.6 Safeguarding

7.6.1 University Centre Quayside (UCQ) fully recognises the responsibility it has regarding safeguarding and promoting the welfare of students. Safeguarding is defined for the purposes of this guidance as protecting people from maltreatment, preventing impairment of students' health or development, ensuring that students are growing up in circumstances consistent with the provision of safe and effective care and undertaking that role so as to enable those people to have optimum life chances and enter or continue through adulthood successfully.

7.6.2 UCQ shall also support the understanding and promotion of fundamental British values (FBV):

- The rule of law
- Democracy
- Individual liberty
- Mutual respect for and the tolerance of those with different faiths and beliefs

7.6.3 UCQ takes a proactive stance on preventing terrorism and extremist behaviours. UCQ is passionate about promoting a safe environment free from violence.

7.6.4 Please speak to your Tutor or your Strategic Safeguarding Lead if you have any concerns regarding your own or others' safety and welfare.

### 7.6.5 Your Strategic Safeguarding Lead

Michelle Elliott

## 7.7 Safe use of IT

7.7.1 To protect all in its care, UCQ must insist that all students adhere to its rules for the acceptable use of IT resources and equipment.

### 7.7.2 Internet usage

**Students must not:**

- Use the internet to obtain, download, send, print, and display or otherwise transmit or gain access to materials which are unlawful, obscene or abusive.

---

### 7.7.3 E-mail usage

**Students must:**

- Report to their Tutor any unpleasant material or messages. Such reports will be treated confidentially and will help protect students.

**Students must not:**

- Give personal information such as address or telephone number to those who make contact through electronic mail.
- Use any personal laptops (using the UCQ network) except in the designated areas whilst complying with the security recommendations of UCQ.

### 7.7.4 Social media usage

**Students must:**

- Assume everything online is permanent and effectively public.
- Make sure they consider who might see anything that is posted.
- Write appropriately for their expected audience.
- Make all staff/student online interactions meaningful and professional.
- Consider specifically safety and reputation before posting online.
- Take responsibility for what they post or distribute online.
- Use the internet positively for communication, collaboration and learning.
- Use and maintain privacy settings to protect personal information but do not rely on them.

**Students must not:**

- Post anything which might damage their own or UCQ's reputation.
- Redistribute any material which may harm others in any way.
- Use the internet to form, or attempt to form, any relationship which would be otherwise inappropriate.
- Create an online environment which invites others to post harmful content.
- Post without thinking.
- Post without considering the safeguarding risks.

### 7.7.5 Information security

**Students must:**

- Get permission from the UCQ IT Manager before storing personal details on any UCQ computer.
- Be aware that student work (other than emails) may be backed up and archived.
- Be aware that UCQ is required to monitor and log user activity on all networked computer systems.

---

### 7.7.6 County Lines

The 2016 NCA report '*County Lines Gang Violence, Exploitation & Drug Supply*' reports that 80% of areas surveyed saw the exploitation of children by gangs. Children as young as 11 can be recruited. Gangs typically recruit and exploit vulnerable people using:

- Coercion
- Deception
- Intimidation and threats
- Violence
- Debt bondage
- Grooming

Whilst most initial contact is carried out on the street and in schools, groups have been known to use social media to entice vulnerable people in. Students should consult with UCQ staff if they have been contacted by a person not known to them or if they feel they have been targeted by one of these groups.

### 7.7.7 Prevent

Section 26 of the Counter-Terrorism and Security Act 2015 (the Act) places a duty on certain bodies, including further and higher education institutions, to have due regard to the need to prevent people from being drawn into terrorism.

The internet, social media, and text messaging can be useful tools to reach out to young and vulnerable people to communicate extremist messages. All students should be aware of this threat and contact the UCQ Safeguarding Team as soon as possible if they, or someone they know, are engaging or asked to engage, in extremist activity online.

### 7.7.8 Sanctions

The breaking of these rules will result in withdrawal of access to UCQ's information computer technology resources.

Additional action may be taken by UCQ in line with existing practice regarding inappropriate behaviour. For serious violations, the UCQ disciplinary procedures will be implemented.

UCQ reserves the right to examine or delete any files that may be held on its computer systems or to monitor any internet sites visited.

Students must report to their Tutor any security breaches. Such reports will be treated confidentially.

The UCQ IT Manager will lock student user accounts immediately after instructed to do so by a member of staff or if a virus is reported by the virus checking software. The student's Tutor will be contacted and the account will remain locked until the Tutor, having spoken to the student, instructs the IT Manager in writing to re-instate the account.

---

### 7.7.9 Monitoring

UCQ has software and systems in place to record all internet usage on the UCQ network

UCQ reserves the right to monitor/record usage at any time. No UCQ authorised user of the internet should have any expectation of privacy as to his or her internet usage.

### 7.8 Tablets

7.8.1 Where appropriate, tablets can be made available to students on a case by case basis. Where issued, the tablet will have one assigned user and will not be shared for the duration of the programme. The user must follow the Safe Use of IT guidelines above for the duration of its usage. If the individual withdraws from the programme they must return the tablet in the same condition upon which it was lent. Those who do not return the device will be issued with an invoice payable for the full cost of the tablet.

### 7.9 Display Screen Equipment (DSE)

7.9.1 DSE are devices or equipment that have an alphanumeric or graphic display screen and includes display screens, laptops, touch screens and other similar devices.

7.9.2 What are the health risks with DSE?

Some people may experience fatigue, eye strain, upper limb problems and backache from overuse or improper use of DSE. These problems can also be experienced from poorly designed workstations or study environments. The causes may not always be obvious and can be due to a combination of factors.

7.9.3 Getting comfortable

The following may help users reduce the health risk associated with DSE:

- Forearms should be approximately horizontal and the user's eyes should be the same height as the top of the screen.
- Make sure there is enough workspace to accommodate all documents or other equipment. A document holder may help avoid awkward neck and eye movements.
- Arrange the desk and screen to avoid glare, or bright reflections. This is often easiest if the screen is not directly facing windows or bright lights.
- Adjust curtains or blinds to prevent intrusive light.
- Make sure there is space under the desk to move legs.
- Avoid excess pressure from the edge of seats on the backs of legs and knees.
- A footrest may be helpful, particularly for smaller users.

## 7.10 Equal opportunities

7.10.1 All members of UCQ are requested to actively promote an atmosphere of positive co-operation and tolerance across the whole institution. Respect for, and fair treatment of, individuals and groups is an underlying principle of studying life to which everyone is asked to adhere.

7.10.2 UCQ believes in equal opportunities. We want all our students, clients and staff to be treated fairly. We are committed to treating people on the basis of their merits and abilities, regardless of age, colour, ethnic or national origin, gender, sexual orientation, disability, pregnancy or maternity, marital status, religious beliefs or other irrelevant or artificial distinction. All staff and students have the right to be treated in this way and have the responsibility to treat others fairly and without discrimination.

7.10.3 Please refer to the [UCQ Equality, Diversity and Inclusion Policy](#) for further information.

## 7.11 Data protection

7.11.1 UCQ is required to retain certain information about its employees, students and other users in order to facilitate the monitoring of performance, achievements, and health and safety. It is also necessary to process information so that staff can be recruited and paid, courses organised and legal obligations to funding bodies and government complied with. To comply with the law, information stored in files (either paper based or electronically including e-mail, internet, intranet or portable storage device) are covered by data protection legislation and must be collected and used fairly, stored and disposed of safely, and not disclosed to any other person unlawfully. To do this, UCQ must comply with the data protection principles which are set out in the General Data Protection Regulation (GDPR) and Data Protection Act 2018 (DPA). Please refer to the full [UCQ Data and Privacy Policy](#) for further information.

### 7.11.2 Your rights

The GDPR has created some new rights for individuals and strengthened some of the rights that currently exist under the DPA. The GDPR provides the following rights for individuals:

- The right to be informed
- The right of access
- The right to rectification
- The right to erasure
- The right to restrict processing
- The right to data portability
- The right to object
- Rights in relation to automated decision making and profiling

### 7.11.3 Retention of data

A full list of information with retention periods is available from [UCQ's Data Retention Schedule](#).
